BSA DIGITAL MEMBERSHIP CARDS

PVC (plastic) BSA Membership Cards will no longer be issued. Keeping in line with the digital age, BSA will issue digital membership cards via an SMS link going forward.

It has come to our attention that about 20% of BSA members do not have their correct cell phone numbers, or no cell phone number at all, registered on the BSA data base. Club information officers are kindly requested to update each member's cell phone details by **29 January 2024**.

If correct cell phone numbers are not registered, those members will unfortunately not receive their digital card.

We appreciate our sponsor, **Personal Trust**, who are not only sponsoring the digital cards but also the new BSA website and the upkeep thereof.

A handwritten signature in black ink, appearing to read "Bobby Donnelly", is written over a large, light-colored oval shape.

BOBBY DONNELLY
CHIEF OPERATIONS OFFICER
