Passing – Brian Jarvis

It is with sadness that we record the passing of Brian Jarvis on 20 September 2023. Brian was a disabled bowler who represented South Africa on numerous occasions.

Brian held Disability National titles in B7 singles, 2012 and 2016, as well as pairs titles in 2006 and 2007

Brian made his debut as a South Africa Disabled Bowler in 2011 when he played in the IBD World Bowls Tournament in Wingate Park, Pretoria, winning Gold Medals in the pairs.

He later went on to represent South Africa at the IBD World Championships at Lower Hutt, Wellington - NZ in 2015. Brian was partnered with Freddie Sterrenberg who passed away in August this year. Brian was awarded gold medal in the Mixed and Class Pairs

These two fine gentlemen are reunited on the Bowling Green in Heaven where all shots are touchers.

Brian was an extremely outgoing and jovial person. His persona did not change when he had both legs amputated in August this year.

We extend sincere condolences to Brian's wife Martie and their family.

RIP Brian
